These are *only* 3 of the complete line of 8 modern amateur and professional enlargers made by DURST. All new in design... with "Features of the Future"... *available today!*

- One self-masking negative carrier takes all sizes from sub-miniature to 2 1/2 x 3 1/2". Eliminates costly "extra" carriers.
- All DURST enlargers can be used as copy cameras—special reflex viewing built into lamphouse. Prices start at \$59.50.
- Modern *rigid* construction—does away with clumsy struts and braces.
- New compact lightweight design—takes little storage space—disassembles easily.

Visit your photo dealer NOW! See how a *modern enlarger looks and performs!* Write for FREE booklet on all the new DURST enlargers with "Features of the Future"!
